## PROJECTS

### Trail Goods | Plant-Adventure Hiking App

UI Designer - CareerFoundry Project

February - March 2023

- Designed high fidelity mockups for a plant adventure and hiking mobile application, enabling users to identify plants and fungi species in addition to searching for trails and recording hiking activities. Mockups were designed to meet Android/iOS mobile guidelines.

### Cooking 101 | Recipe Responsive Web App

UX/UI Designer - CareerFoundry Project

Dec 2022- Feb 2023

- Conceptualized and designed a recipe based responsive web app for College Students by conducting user interviews, continuous user testing and collecting user research to prototype high fidelity UI with a mobile first approach.

## WORK EXPERIENCE

### Long Beach Fire Department

Clerical Aid II

Apr - Sep 2022; Long Beach, CA

- Managed and organized filing for The Fire Prevention Department, allowing Inspectors to focus on Commercial and Residential Fire Inspections.
- Supervising reception desk operations by applying customer service and interpersonal skills when handling phone calls and engaging with the general public.

### Apple (Retail)

Operations Specialist, Product Specialist

Oct 2019 - Oct 2021; Boston, CA - Los Cerritos, CA

- Organized and cared for Inventory- customer products, service parts, tools and supplies, resulting in minimized shrinkage.
- Educated teammates, in other parts of the business, how to correctly process trade-in products for the betterment of the the internal product tracking system, decreased trade-in loss by 10%.
- Initiated, developed and designed a weekly newsletter to build communication between Technicians, Product Zone and Operations department, was then adopted by Management.

### Museum of Fine Arts Boston

Senior Ambassador, Member and Visitor Services

Sep 2015 - May 2019

- Engaged with the general public by facilitating Art Talks, providing Museum tours and answering questions.
